Currently in Grade 10 or 11? Like Science? Volunteer With Science ALIVE this summer! Science ALIVE is a not-for-profit and entirely undergraduate run organization based out of Simon Fraser University's Burnaby campus. We aim to teach, inspire and promote many fields of science focusing mainly on STEM (Science, Technology, Engineering and Mathematics) topics. Summer Camps run July and August of 2017. Volunteers need to commit to 2 weeks (or more) within that time frame. Looking for enthusiastic, independent and responsible volunteers. There are a few payed positions available for high school instructors for anyone in grade 11/12 - must commit to the full two months. SEE US IN ROOM 313 FOR DETAILS OR TO APPLY. Ms. Dato

SENIOR STUDENTS

Grad Council: Any grade 11`s who would like to be on Grad Council next year need to see Ms. Lange in Room 215 to pick up an application package ASAP. Ms. Lange

Free Fitness Opportunity! Always Wanted To Learn How To Use Equipment In A Weight Room? If you are in Grade 11 or 12, and would like to attend our next FREE FITNESS session on Wednesday, April 5 it will be a chance to have small group personal training in the Moscrop weight room. Our personal trainer will be on hand to teach you the basics of how to use the equipment and give you a work-out routine you can easily follow on your own at a gym. This session is tailored towards those with little to no experience in using weight room equipment. Come out, have fun in a safe environment and learn how you can get fit! This will be your last chance to be entered in our prize draw for one of our last 3 prizes: an exercise ball, a \$25 GC to LuluLemon and a \$25 GC to Sport Chek. This is by sign up only, and limited to 8 spots - so act fast! <https://doodle.com/poll/5naragcsc6vndt79>

Attention All Grade 12s: The Grade 12 Student Led Interviews will be happening on **April 12, 2017 in the Moscrop Library**. Your Transition Guides will be returned to you at the beginning of April and you will need to bring them to your interview. Mrs. Dato will visit Grade 12 English classes to further prepare you on **April 3 and 4**, however, in the next few weeks, continue thinking about the 2-3 pieces of evidence you will be bringing (as you have already thought about in your Transition Guide). Please refine those items you are thinking about bringing and make sure they hold a special significance to you. Think deeply about what you are going to say about them.

Another way to prepare for the SLIs is to read the prep documents posted on the Grad Transitions log: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. I will also post the updated prep document on the grad Facebook page ASAP. This is an amazing and inspiring opportunity for you to reflect on the things that make you unique. A chance to share who you have become and where you are headed - so be prepared to SHINE and BE PROUD! See or email Mrs. Dato if you have any questions or concerns. Laura.Dato@sd41.bc.ca

KPU Updates For Grade 12 Students:

- **April 11th is KPU's Major Entrance Scholarship Deadline.** Major Entrance Scholarships go up to \$20,000, and students only have to apply once to be considered for all KPU entrance awards. More information can be found online at kpu.ca/awards.
- **April 5th is Surrey Parent Night:** KPU will be hosting an evening for parents from 5:30-7:30 at the Surrey campus. The event will include tours, a general KPU presentation, as well as a panel discussion that includes a current student, a parent, and a co-op employer. Parents can register online at kpu.ca/parentnight.
- **Extended Application Deadlines:** Some limited intake programs have extended their deadlines for the Fall. The full listing can be found at kpu.ca/admission/deadlines-extended

Humanities for Young People Internship Opportunity: This is a summer program in Halifax, Nova Scotia that gives you a taste of university life and encourages your interests in literature, philosophy, history, politics and art. Based on the theme of **The Challenges of Reconciliation**, students will enjoy morning lectures ranging from Greek tragedy, to contemporary political theory, to indigenous culture and history. They will engage in afternoon workshops, developing interpersonal, creative and academic skills, and in evenings they will work with artists, scholars, and filmmakers from Nova Scotia's indigenous communities and beyond. HYP runs for July 7-16, 2017. Students in Grades 9-11 are eligible and can apply online with a brief statement of their interest in the Humanities and a letter of recommendation from an adult who knows them well. The fee is \$1100 and includes accommodation, meals, materials, lectures and excursions. Bursaries available. Go to <http://hyp.ukings.ca>. This program can be put towards work experience hours for current grade 10s or 11s. See us in room 313. Ms. Dato

Tickets will go on sale in the school office on Monday March – April 7 for \$7; then again Monday April 10-Wednesday April 20 for \$10. There are only 40 tickets available per school, so buy them early to avoid missing out. The theme of the dance is "Pride" so wear your rainbow colors to show your support. Hope to see you all there! Thank you! Mr. Adrian

Currently in Grade 10 or 11? Like Science? Volunteer With Science ALIVE this summer! Science ALIVE is a not-for-profit and entirely undergraduate run organization based out of Simon Fraser University's Burnaby campus. We aim to teach, inspire and promote many fields of science focusing mainly on STEM (Science, Technology, Engineering and Mathematics) topics.

Summer Camps run July and August of 2017. Volunteers need to commit to 2 weeks (or more) within that time frame. Looking for enthusiastic, independent and responsible volunteers. There are a few payed positions available for high school instructors for anyone in grade 11/12 - must commit to the full two months. SEE US IN ROOM 313 FOR DETAILS OR TO APPLY. Ms. Dato

SENIOR STUDENTS

Nomination Forms for Class of 2017 Valedictorian: The class valedictorian presents a speech during the school leaving ceremony on May

25th. A grade 12 student may nominate a peer or apply him/herself by obtaining a nomination form from the office, completing the form (along with required signatures), and submitting it to **Ms. Niccoli-Harris in room 317 by Friday, April 7th at 3:15.** Grade 12 students will vote for their valedictorian after the nomination process has been completed. Thank you.

Grad Council: Any grade 11's who would like to be on Grad Council next year need to see Ms. Lange in Room 215 to pick up an application package ASAP. Ms. Lange

Free Fitness Opportunity! Always Wanted To Learn How To Use Equipment In A Weight Room? If you are in Grade 11 or 12, and would like to attend our next FREE FITNESS session on Wednesday, April 5 it will be a chance to have small group personal training in the Moscrop weight room. Our personal trainer will be on hand to teach you the basics of how to use the equipment and give you a work-out routine you can easily follow on your own at a gym. This session is tailored towards those with little to no experience in using weight room equipment. Come out, have fun in a safe environment and learn how you can get fit! This will be your last chance to be entered in our prize draw for one of our last 3 prizes: an exercise ball, a \$25 GC to LuluLemon and a \$25 GC to Sport Chek. This is by sign up only, and limited to 8 spots - so act fast! <https://doodle.com/poll/5naragcsc6vndt79>

Attention All Grade 12s: The Grade 12 Student Led Interviews will be happening on **April 12, 2017 in the Moscrop Library.** Your Transition Guides will be returned to you at the beginning of April and you will need to bring them to your interview. Mrs. Dato will visit Grade 12 English classes to further prepare you on **April 3 and 4,** however, in the next few weeks, continue thinking about the 2-3 pieces of evidence you will be bringing (as you have already thought about in your Transition Guide). Please refine those items you are thinking about bringing and make sure they hold a special significance to you. Think deeply about what you are going to say about them. Another way to prepare for the SLIs is to read the prep documents posted on the Grad Transitions log: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. I will also post the updated prep document on the grad Facebook page ASAP. This is an amazing and inspiring opportunity for you to reflect on the things that make you unique. A chance to share who you have become and where you are headed - so be prepared to SHINE and BE PROUD! See or email Mrs. Dato if you have any questions or concerns. Laura.Dato@sd41.bc.ca

Humanities for Young People Internship Opportunity: This is a summer program in Halifax, Nova Scotia that gives you a taste of university life and encourages your interests in literature, philosophy, history, politics and art. Based on the theme of **The Challenges of Reconciliation,** students will enjoy morning lectures ranging from Greek tragedy, to contemporary political theory, to indigenous culture and history. They will engage in afternoon workshops, developing interpersonal, creative and academic skills, and in evenings they will work with artists, scholars, and filmmakers from Nova Scotia's indigenous communities and beyond. HYP runs for July 7-16, 2017. Students in Grades 9-11 are eligible and can apply online with a brief statement of their interest in the Humanities and a letter of recommendation from an adult who knows them well. The fee is \$1100 and includes accommodation, meals, materials, lectures and excursions. Bursaries available. Go to <http://hyp.ukings.ca>. This program can be put towards work experience hours for current grade 10s or 11s. See us in room 313. Ms. Dato

There are a few payed positions available for high school instructors for anyone in grade 11/12 - must commit to the full two months. SEE US IN ROOM 313 FOR DETAILS OR TO APPLY. Ms. Dato

SENIOR STUDENTS

Nomination Forms for Class of 2017 Valedictorian: The class valedictorian presents a speech during the school leaving ceremony on May

25th. A grade 12 student may nominate a peer or apply him/herself by obtaining a nomination form from the office, completing the form (along with required signatures), and submitting it to **Ms. Niccoli-Harris in room 317 by Friday, April 7th at 3:15.** Grade 12 students will vote for their valedictorian after the nomination process has been completed. Thank you.

Grad Council: Any grade 11's who would like to be on Grad Council next year need to see Ms. Lange in Room 215 to pick up an application package ASAP. Ms. Lange

Attention All Grade 12s: The Grade 12 Student Led Interviews will be happening on **April 12, 2017 in the Moscrop Library.** Your Transition Guides will be returned to you at the beginning of April and you will need to bring them to your interview. Mrs. Dato will visit Grade 12 English classes to further prepare you on **April 3 and 4**, however, in the next few weeks, continue thinking about the 2-3 pieces of evidence you will be bringing (as you have already thought about in your Transition Guide). Please refine those items you are thinking about bringing and make sure they hold a special significance to you. Think deeply about what you are going to say about them. Another way to prepare for the SLIs is to read the prep documents posted on the Grad Transitions log: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. I will also post the updated prep document on the grad Facebook page ASAP. This is an amazing and inspiring opportunity for you to reflect on the things that make you unique. A chance to share who you have become and where you are headed - so be prepared to SHINE and BE PROUD! See or email Mrs. Dato if you have any questions or concerns. Laura.Dato@sd41.bc.ca

Humanities for Young People Internship Opportunity: This is a summer program in Halifax, Nova Scotia that gives you a taste of university life and encourages your interests in literature, philosophy, history, politics and art. Based on the theme of **The Challenges of Reconciliation**, students will enjoy morning lectures ranging from Greek tragedy, to contemporary political theory, to indigenous culture and history. They will engage in afternoon workshops, developing interpersonal, creative and academic skills, and in evenings they will work with artists, scholars, and filmmakers from Nova Scotia's indigenous communities and beyond. HYP runs for July 7-16, 2017. Students in Grades 9-11 are eligible and can apply online with a brief statement of their interest in the Humanities and a letter of recommendation from an adult who knows them well. The fee is \$1100 and includes accommodation, meals, materials, lectures and excursions. Bursaries available. Go to <http://hyp.ukings.ca>. This program can be put towards work experience hours for current grade 10s or 11s. See us in room 313. Ms. Dato

Beachkeepers is a fun stewardship program that will run **July 1st to September 4th on weekends and holidays**. We meet at the Belcarra Regional Park picnic area. This volunteer position involves four main activities:

- 1) a crab study on the dock (sizing, sexing and recording any injuries of crabs)
- 2) educating park visitors about intertidal creatures such as crabs and sea stars
- 3) explaining fishing regulations and beach etiquette to park visitors on the dock or on the beach
- 4) answering questions and caring for live animals at our information tent

An average weekend shift is from 10:50 am to 4 pm and would involve a combination of all four activities and a half an hour lunch break. The time commitment required is a minimum of thirty hours (6 five hour shifts). Volunteers sign up for the shifts using an online calendar. After completion of thirty hours, volunteers receive a reference letter. No previous knowledge of marine life or fishing regulations is required, as training is provided at 2 one day training sessions which will be held in June 10th and 17th. To apply for this position, you will be asked to fill out an application, provide references and complete a criminal record check. If you have any questions or would like an application please e-mail me at Beachkeepers@metrovancover.org Ms. Dato

Currently in Grade 10 or 11? Like Science? Volunteer With Science ALIVE this summer! Science ALIVE is a not-for-profit and entirely undergraduate run organization based out of Simon Fraser University's Burnaby campus. We aim to teach, inspire and promote many fields of science focusing mainly on STEM (Science, Technology, Engineering and Mathematics) topics.

Summer Camps run July and August of 2017. Volunteers need to commit to 2 weeks (or more) within that time frame. Looking for enthusiastic, independent and responsible volunteers. There are a few payed positions available for high school instructors for anyone in grade 11/12 - must commit to the full two months. SEE US IN ROOM 313 FOR DETAILS OR TO APPLY. Ms. Dato

Beachkeepers is a fun stewardship program that will run **July 1st to September 4th on weekends and holidays**. We meet at the Belcarra Regional Park picnic area. This volunteer position involves four main activities:

- 1) a crab study on the dock (sizing, sexing and recording any injuries of crabs)
- 2) educating park visitors about intertidal creatures such as crabs and sea stars
- 3) explaining fishing regulations and beach etiquette to park visitors on the dock or on the beach
- 4) answering questions and caring for live animals at our information tent

An average weekend shift is from 10:50 am to 4 pm and would involve a combination of all four activities and a half an hour lunch break. The time commitment required is a minimum of thirty hours (6 five hour shifts). Volunteers sign up for the shifts using an online calendar. After completion of thirty hours, volunteers receive a reference letter. No previous knowledge of marine life or fishing regulations is required, as training is provided at 2 one day training sessions which will be held in June 10th and 17th. To apply for this position, you will be asked to fill out an application, provide references and complete a criminal record check. If you have any questions or would like an application please e-mail me at Beachkeepers@metrovancover.org Ms. Dato

District Pride Dance! Attention All Students, on Thursday April 27 the Burnaby School District will be hosting its first ever District Pride Dance! This dance is open to all high school students in the district, in the spirit of celebrating the diversity and inclusivity of our students. The dance will be held from 6pm-9pm at Byrne Creek Community School. Tickets will go on sale in the school office on Monday March – April 7 for \$7; then again Monday April 10-Wednesday April 20 for \$10. There are only 40 tickets available per school, so buy them early to avoid missing out. The theme of the dance is "Pride" so wear your rainbow colors to show your support. Hope to see you all there! Thank you! Mr. Adrian

SENIOR STUDENTS

Class of 2017 Graduation Dinner/Dance Friday, June 16

The Class of 2017 Graduation Dinner/Dance will be held on Friday, June 16 at the Vancouver Marriott Pinnacle Hotel, 1128 West Hasting Street, Vancouver. GO CARD IS REQUIRED. The cost is \$110 and students still have an opportunity to pay. Thursday, April 13 is the **final** payment deadline. Please make your payment online or by cash or cheque at the office. Thank you, Ms. Lange and Grad Committee

Gold Honour Cord: The list of **Gold Honour Cord Recipients** is now posted outside the office. Please review this week, and if you have any questions or concerns, please see Ms. Santillan in the Office. Thank you, Mr. Allen

Term 2 Honour Roll for Grade 12 Students: Please come to the office to pick up your Term 2 Honour Roll Certificate. Thank you, Ms. Clements

Grade 12 Student Led Interview: Please see the Grade 12 Student Led Interview schedule to find out what time your interview is at. Please remember to arrive 10 minutes early, dressed to impress. Bring your Transition Guide, with updated and edited resume inserted, as well as your 2 - 3 objects or evidence that you will be discussing. See the Moscrop website or Facebook page for more information related to preparing for the interviews, including a copy of Mrs. Dato's preparation presentation. Watch it again to ensure you are fully prepared and ready. See me to book the performance room. Good luck!

Attention All Grade 12s: The Grade 12 Student Led Interviews will be happening on **April 12, 2017 in the Moscrop Library**. Your Transition Guides will be returned to you at the beginning of April and you will need to bring them to your interview. Mrs. Dato will visit Grade 12 English classes to further prepare you on **April 3 and 4**, however, in the next few weeks, continue thinking about the 2-3 pieces of evidence you will be bringing (as you have already thought about in your Transition Guide). Please refine those items you are thinking about bringing and make sure they hold a special significance to you. Think deeply about what you are going to say about them. Another way to prepare for the SLIs is to read the prep documents posted on the Grad Transitions log: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. I will also post the updated prep document on the grad Facebook page ASAP. This is an amazing and inspiring opportunity for you to reflect on the things that make you unique. A chance to share who you have become and where you are headed - so be prepared to SHINE and BE PROUD! See or email Mrs. Dato if you have any questions or concerns. Laura.Dato@sd41.bc.ca

Humanities for Young People Internship Opportunity: This is a summer program in Halifax, Nova Scotia that gives you a taste of university life and encourages your interests in literature, philosophy, history, politics and art. Based on the theme of **The Challenges of Reconciliation**, students will enjoy morning lectures ranging from Greek tragedy, to contemporary political theory, to indigenous culture and history. They will engage in afternoon workshops, developing interpersonal, creative and academic skills, and in evenings they will work with artists, scholars, and filmmakers from Nova Scotia's indigenous communities and beyond. HYP runs for July 7-16, 2017. Students in Grades 9-11 are eligible and can apply online with a brief statement of their interest in the Humanities and a letter of recommendation from an adult who knows them well. The fee is \$1100 and includes accommodation, meals, materials, lectures and excursions. Bursaries available. Go to <http://hyp.ukings.ca>. This program can be put towards work experience hours for current grade 10s or 11s. See us in room 313. Ms. Dato

Currently in Grade 10 or 11? Like Science? Volunteer With Science ALIVE this summer! Science ALIVE is a not-for-profit and entirely undergraduate run organization based out of Simon Fraser University's Burnaby campus. We aim to teach, inspire and promote many fields of science focusing mainly on STEM (Science, Technology, Engineering and Mathematics) topics.

Summer Camps run July and August of 2017. Volunteers need to commit to 2 weeks (or more) within that time frame. Looking for enthusiastic, independent and responsible volunteers. There are a few paid positions available for high school instructors for anyone in grade 11/12 - must commit to the full two months. SEE US IN ROOM 313 FOR DETAILS OR TO APPLY. Ms. Dato

Beachkeepers is a fun stewardship program that will run **July 1st to September 4th on weekends and holidays**. We meet at the Belcarra Regional Park picnic area. This volunteer position involves four main activities:

- 1) a crab study on the dock (sizing, sexing and recording any injuries of crabs)
- 2) educating park visitors about intertidal creatures such as crabs and sea stars
- 3) explaining fishing regulations and beach etiquette to park visitors on the dock or on the beach
- 4) answering questions and caring for live animals at our information tent

An average weekend shift is from 10:50 am to 4 pm and would involve a combination of all four activities and a half an hour lunch break. The time commitment required is a minimum of thirty hours (6 five hour shifts). Volunteers sign up for the shifts using an online calendar. After completion of thirty hours, volunteers receive a reference letter. No previous knowledge of marine life or fishing regulations is required, as training is provided at 2 one day training sessions which will be held in June 10th and 17th. To apply for this position, you will be asked to fill out an application, provide references and complete a criminal record check. If you have any questions or would like an application please e-mail me at Beachkeepers@metrovancover.org Ms. Dato

NEW Info Session for Grade 10 and 11 Students interested in Engineering – Work Experience Opportunity – April 26th

UBC Engineering department hosts summer camps in STEM, and engineering topics in the summer. A representative from UBC will be coming to Moscrop on Wed. April 26 at lunch time in the Library to provide information to students about two very different opportunities. One opportunity is to participate in a teen summer camp to learn about different engineering topics and a career in Engineering, and the second opportunity is to volunteer as a summer camp leader with junior STEM camps. Students are allowed to do one or more of these opportunities, and both count for Career Education work experience hours. See Ms. Wispinski or Ms. Dato in Room 313 if you have any questions. Ms. Wispinski

NEW **Mother's Day is May 14th:** It's coming up fast! We're selling handmade crafts. They're perfect for a teacher, friend, yourself, and of course, your mom. Sales are at lunch in the foyer from May 1st to May 5th. All profits go to the Syrian refugee school donation initiative. Ms. Greenside

Future Science Leaders- Telus World of Science – Work Experience Opportunity

Inspiring and challenging top Grade 10 and 11 students to excel in science and innovation. Deadline May 8

In weekly meetings, students learn essential skills, meet top experts and innovators and apply their new knowledge and skills. We have modeled the program after excellence programs in high performance sports, such as *Own the Podium* and the farm system in hockey. There is a progression where students are increasingly supported and challenged. With the extra support of this program, students will be expected to excel in national and international science, technology, engineering and math challenges.

Program Details

- Future Science Leaders covers many areas of science and is a multi-year program. Students must enter in the Discover Year (see below). The program runs every Tuesday after school starting in September 2017 and through to May 2018.
- There is a cost of \$500 for the program. Bursaries are available and no student will be excluded on the basis of financial need.

Application Process: This program has a competitive application process. Applications will be open until **May 8th at 8pm**. Applicants must be entering into grade 10 or 11 in September 2017. Applicants must also be able to demonstrate a keen interest in Science and/or Technology, an ability to excel as both part of a team and as an individual.

Science ALIVE is a not-for-profit and entirely undergraduate run organization based out of Simon Fraser University's Burnaby campus. We aim to teach, inspire and promote many fields of science focusing mainly on STEM (Science, Technology, Engineering and Mathematics) topics.

Summer Camps run July and August of 2017. Volunteers need to commit to 2 weeks (or more) within that time frame. Looking for enthusiastic, independent and responsible volunteers. There are a few payed positions available for high school instructors for anyone in grade 11/12 - must commit to the full two months. SEE US IN ROOM 313 FOR DETAILS OR TO APPLY. Deadline: Friday, June 3. Ms. Dato

Beachkeepers is a fun stewardship program that will run **July 1st to September 4th on weekends and holidays**. We meet at the Belcarra Regional Park picnic area. This volunteer position involves four main activities:

- 1) a crab study on the dock (sizing, sexing and recording any injuries of crabs)
- 2) educating park visitors about intertidal creatures such as crabs and sea stars
- 3) explaining fishing regulations and beach etiquette to park visitors on the dock or on the beach
- 4) answering questions and caring for live animals at our information tent

An average weekend shift is from 10:50 am to 4 pm and would involve a combination of all four activities and a half an hour lunch break. The time commitment required is a minimum of thirty hours (6 five hour shifts). Volunteers sign up for the shifts using an online calendar. After completion of thirty hours, volunteers receive a reference letter. No previous knowledge of marine life or fishing regulations is required, as training is provided at 2 one day training sessions which will be held in June 10th and 17th. To apply for this position, you will be asked to fill out an application, provide references and complete a criminal record check. If you have any questions or would like an application please e-mail me at Beachkeepers@metrovancover.org Ms. Dato

Attention Grade 10 students: You can start your work experience this summer! Future Science Leaders - Telus World of Science – Work Experience Opportunity

Inspiring and challenging top Grade 10 and 11 students to excel in science and innovation. Deadline May 8

In weekly meetings, students learn essential skills, meet top experts and innovators and apply their new knowledge and skills. We have modeled the program after excellence programs in high performance sports, such as *Own the Podium* and the farm system in hockey. There is a progression where students are increasingly supported and challenged. With the extra support of this program, students will be expected to excel in national and international science, technology, engineering and math challenges.

Program Details:

Future Science Leaders covers many areas of science and is a multi-year program. Students must enter in the Discover Year (see below).

The program runs every Tuesday after school starting in September 2017 and through to May 2018.

There is a cost of \$500 for the program. Bursaries are available and no student will be excluded on the basis of financial need.

Application Process: This program has a competitive application process. Applications will be open until **May 8th at 8pm**. Applicants must be entering into grade 10 or 11 in September 2017. Applicants must also be able to demonstrate a keen interest in Science and/or Technology, an ability to excel as both part of a team and as an individual.

Application details and more information available at <https://www.scienceworld.ca/futurescienceleaders> Ms. Wispinski

Are you in Grade 10 or 11 and interested in volunteering with new international students from around the world? August 28- September 1, 2017 is
