Future Science Leaders - Telus World of Science – Work Experience Opportunity

Inspiring and challenging top Grade 10 and 11 students to excel in science and innovation. Deadline May 8

In weekly meetings, students learn essential skills, meet top experts and innovators and apply their new knowledge and skills. We have modeled the program after excellence programs in high performance sports, such as *Own the Podium* and the farm system in hockey. There is a progression where students are increasingly supported and challenged. With the extra support of this program, students will be expected to excel in national and international science, technology, engineering and math challenges.

Program Details:

Future Science Leaders covers many areas of science and is a multi-year program. Students must enter in the Discover Year (see below).

The program runs every Tuesday after school starting in September 2017 and through to May 2018.

There is a cost of \$500 for the program. Bursaries are available and no student will be excluded on the basis of financial need.

Application Process: This program has a competitive application process. Applications will be open until **May 8th at 8pm**. Applicants must be entering into grade 10 or 11 in September 2017. Applicants must also be able to demonstrate a keen interest in Science and/or Technology, an ability to excel as both part of a team and as an individual.

Application details and more information available at <https://www.scienceworld.ca/futurescienceleaders> Ms. Wispinski

Are you in Grade 10 or 11 and interested in volunteering with new international students from around the world? August 28- September 1, 2017 is the New International student orientation. There is also a information/training session on August 25th. If interested email me your Name, Email and Phone number and your availability. Priority will go to students who are available for the whole week. Location of orientation to be determined.

My email: laura.dato@sd41.bc.ca or, if your Career Programs Educator is Ms. Wispinski, you can email: tracey.wispinski@sd41.bc.ca

Volunteer for Burnaby Tennis Club: We are looking for volunteer students to help out with the Burnaby Tennis Club's Burnaby Open Tennis tournament. This is an excellent way for the students to pick up extra credits needed. The dates will be **June 17th - 25th**. There will be an orientation offered approximately a week before the tournament. Last year we asked the students to sign up for four 8 hour shifts.

Their responsibilities will be checking the players in, a little kitchen help and general help wherever needed. Ms. Dato

Future Science Leaders - Telus World of Science – Work Experience Opportunity

Inspiring and challenging top Grade 10 and 11 students to excel in science and innovation. Deadline May 8

In weekly meetings, students learn essential skills, meet top experts and innovators and apply their new knowledge and skills. We have modeled the program after excellence programs in high performance sports, such as *Own the Podium* and the farm system in hockey. There is a progression where students are increasingly supported and challenged. With the extra support of this program, students will be expected to excel in national and international science, technology, engineering and math challenges.

Program Details:

Future Science Leaders covers many areas of science and is a multi-year program. Students must enter in the Discover Year (see below).

The program runs every Tuesday after school starting in September 2017 and through to May 2018.

There is a cost of \$500 for the program. Bursaries are available and no student will be excluded on the basis of financial need.

Application Process: This program has a competitive application process. Applications will be open until **May 8th at 8pm**. Applicants must be entering into grade 10 or 11 in September 2017. Applicants must also be able to demonstrate a keen interest in Science and/or Technology, an ability to excel as both part of a team and as an individual.

Application details and more information available at <https://www.scienceworld.ca/futurescienceleaders> Ms. Wispinski

Are you in Grade 10 or 11 and interested in volunteering with new international students from around the world? August 28- September 1, 2017 is the New International student orientation. There is also a information/training session on August 25th. If interested email me your Name, Email and Phone number and your availability. Priority will go to students who are available for the whole week. Location of orientation to be determined.

My email: laura.dato@sd41.bc.ca or, if your Career Programs Educator is Ms. Wispinski, you can email: tracey.wispinski@sd41.bc.ca

Volunteer for Burnaby Tennis Club: We are looking for volunteer students to help out with the Burnaby Tennis Club's Burnaby Open Tennis tournament. This is an excellent way for the students to pick up extra credits needed. The dates will be **June 17th - 25th**. There will be an orientation offered approximately a week before the tournament. Last year we asked the students to sign up for four 8 hour shifts.

Their responsibilities will be checking the players in, a little kitchen help and general help wherever needed. Ms. Dato

Future Science Leaders - Telus World of Science – Work Experience Opportunity

Inspiring and challenging top Grade 10 and 11 students to excel in science and innovation. Deadline May 8

In weekly meetings, students learn essential skills, meet top experts and innovators and apply their new knowledge and skills. We have modeled the program after excellence programs in high performance sports, such as *Own the Podium* and the farm system in hockey. There is a progression where students are increasingly supported and challenged. With the extra support of this program, students will be expected to excel in national and international science, technology, engineering and math challenges.

Program Details:

Future Science Leaders covers many areas of science and is a multi-year program. Students must enter in the Discover Year (see below).

The program runs every Tuesday after school starting in September 2017 and through to May 2018.

There is a cost of \$500 for the program. Bursaries are available and no student will be excluded on the basis of financial need.

Application Process: This program has a competitive application process. Applications will be open until **May 8th at 8pm**. Applicants must be entering into grade 10 or 11 in September 2017. Applicants must also be able to demonstrate a keen interest in Science and/or Technology, an ability to excel as both part of a team and as an individual.

Application details and more information available at <https://www.scienceworld.ca/futurescienceleaders> Ms. Wispinski

To Parents and Guardians of Students in Grade 8 – 11: MyEducation BC Family Portal is now open.

If you have not received an email with your username and password for MyEducation BC Family Portal, please email Hannah.Santillan@sd41.bc.ca with your full name, a call back number, and your child's student number to obtain your portal login information.

There are several benefits associated with the MyEducation BC Family Portal. Parents will be able to view live attendance entries, student schedules, next year course requests, course achievement records and term/final report cards. This year, the Final Report Card will be made available online. Hard copies will NOT be sent home with the exception of our Grade 12 students. The Burnaby School District has produced reference materials for parents related to logging in and general portal use. These can be viewed at: <http://blogs.sd41.bc.ca/myedbc/parent-resources/>.

For the parents who have successfully logged into the portal, if there is any incorrect information listed such as addresses and names, please email Hannah.Santillan@sd41.bc.ca with the correct information or simply give us a call at 604-296-6895, ext. 3.

To Parents and Guardians of Students in Grade 8 – 11: MyEducation BC Family Portal is now open

If you have not received an email with your username and password for MyEducation BC Family Portal, please email Hannah.Santillan@sd41.bc.ca with your full name, a call back number, and your child's student number to obtain your portal login information.

There are several benefits associated with the MyEducation BC Family Portal. Parents will be able to view live attendance entries, student schedules, next year course requests, course achievement records and term/final report cards. This year, the Final Report Card will be made available online. Hard copies will NOT be sent home with the exception of our Grade 12 students. The Burnaby School District has produced reference materials for parents related to logging in and general portal use. These can be viewed at: <http://blogs.sd41.bc.ca/myedbc/parent-resources/>.

For the parents who have successfully logged into the portal, if there is any incorrect information listed such as addresses and names, please email Hannah.Santillan@sd41.bc.ca with the correct information or simply give us a call at 604-296-6895, ext. 3.

Attention all Gr. 11 and 12 students. Your DPA (Daily Physical Activity) verification log is due in May. You received this log (on yellow paper) in September, and may have stored it somewhere for safe keeping, however, I have a few extras in room 313 for those that misplaced it. (check at home first so we can save trees!!), you can also download the form from the Grad Trans blog: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. On this form you summarize what you've done for DPA this year, and get a parent verification signature. Hand it in to room 313 **any time in May**, but I must have it by the **deadline of May 31, 2017**. If you are in a PE, Dance or Weight Training course (including Leadership PE and District Fitness Leadership) your teacher will report your completion of DPA this year directly to me as long as you attended, participated and passed the course. See me for questions/concerns or email Laura.Dato@sd41.bc.ca Get fit! Be Active!

NEW **Big Congratulations** to Moscrop's Girls' NETBALL teams! Both the Junior and Senior team won the Burnaby-New Westminster Banner! And at the provincial tournament this past weekend, the Junior team placed 1st and the Senior team placed 2nd. Tournament MVP's were Makaila John for the Juniors, and Nasseem Vazinkhoo for the Seniors. Special thanks to all team members for an awesome season. Ms. Vancic

GENERAL

NEW **PRO-D Day (Non-Instructional Day) Friday, May 19.** Students do not attend school.

NEW **"Let's Talk Volunteering: Get Inspired. Get Involved."** This is a great opportunity for students that will not only highlight the significance of community service, but also provide them the chance to get involved with an organization that aligns with their values and goals.

During this year's event, we will be having a TED Talks style conference featuring 3 keynote speakers, each of whom will share their stories about how volunteering played an integral role in shaping their lives and journey to success in their respective careers. The conference will be followed by a volunteer fair with over 20 organizations present, where students have the opportunity to network and sign up to volunteer with organizations such as Ronald McDonald House, YMCA, Canadian Mental Health Association, and many more. The well-known and accomplished community leaders that will be speaking to students to inspire them include: Arun Dhir – UBC Medical Student, Co-Founder of UBC Beneath One Sky and Perminder Tung – ICBC Lawyer & Injury Claims, Partner at Lindsay Kenney LLP and Sandeep Kaur Gill – Social Worker & Writer, Co-Founder of 'She Writes Her Story'

The event will be taking place at **SFU Surrey on Wednesday, May 24th, from 5:15pm to 8:00pm**. Specifically, the speakers' portion of the event will be occurring from 5:15pm to 6:15pm in the New Westminster Savings lecture theatre (SUR 2600) and the volunteer fair will be happening from 6:15pm to 8:00pm in the Mezzanine of SFU. *Please Note: This is a **FREE** event open to all high school and university student. However, we kindly ask that everyone register for the event beforehand to secure a spot, as seating is limited. The registration form can be found on our website (listed below) or directly through the following link: <https://yts.typeform.com/to/Efmkdt>

About our organization: Youth Transforming Society (YTS) is a registered, student-led group based out of Surrey, BC that aims to raise awareness for humanitarian issues and encourage community volunteerism. Founded in 2010, we have since raised over \$20,000 for various organizations and have helped hundreds of students get involved. To learn more about our organization or the event that will be taking place, please visit our website at: <http://www.youthtransformingsociety.org/lets-talk-volunteering/>

First Nations High School Students – Summer Job Opportunity

NEW **Job Description:** The Native Youth Program provides students with an opportunity to research their own and other cultures through the museum collection and online resources and participate in workshops and study trips. They will also learn about the resources at the UBC First Nations House of Learning and the Museum of Anthropology and develop public presentation skills using objects and new media. Participants will share this knowledge with other students and museum visitors through guided tours, presentations and a final report reflecting on their experience and research.

Qualifications: Candidates must be 15 to 18 years old, enrolled in high school and must have an interest in First Nations heritage.

Term: Full-Time Start date Monday July 3, 2017 to August 18, 2017 - 7 weeks - 35 hours/week

Attention all Gr. 11 and 12 students. Your DPA (Daily Physical Activity) verification log is due in May. You received this log (on yellow paper) in September, and may have stored it somewhere for safe keeping, however, I have a few extras in room 313 for those that misplaced it. (check at home first so we can save trees!), you can also download the form from the Grad Trans blog: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. On this form you summarize what you've done for DPA this year, and get a parent verification signature. Hand it in to room 313 **any time in May**, but I must have it by the **deadline of May 31, 2017**. If you are in a PE, Dance or Weight Training course (including Leadership PE and District Fitness Leadership) your teacher will report your completion of DPA this year directly to me as long as you attended, participated and passed the course. See me for questions/concerns or email Laura.Dato@sd41.bc.ca Get fit! Be Active!

“Let's Talk Volunteering: Get Inspired. Get Involved.” This is a great opportunity for students that will not only highlight the significance of community service, but also provide them the chance to get involved with an organization that aligns with their values and goals. During this year's event, we will be having a TED Talks style conference featuring 3 keynote speakers, each of whom will share their stories about how volunteering played an integral role in shaping their lives and journey to success in their respective careers. The conference will be followed by a volunteer fair with over 20 organizations present, where students have the opportunity to network and sign up to volunteer with organizations such as Ronald McDonald House, YMCA, Canadian Mental Health Association, and many more. The well-known and accomplished community leaders that will be speaking to students to inspire them include: Arun Dhir – UBC Medical Student, Co-Founder of UBC Beneath One Sky and Perminder Tung – ICBC Lawyer & Injury Claims, Partner at Lindsay Kenney LLP and Sandeep Kaur Gill – Social Worker & Writer, Co-Founder of 'She Writes Her Story'

The event will be taking place at **SFU Surrey on Wednesday, May 24th, from 5:15pm to 8:00pm**. Specifically, the speakers' portion of the event will be occurring from 5:15pm to 6:15pm in the New Westminster Savings lecture theatre (SUR 2600) and the volunteer fair will be happening from 6:15pm to 8:00pm in the Mezzanine of SFU. *Please Note: This is a **FREE** event open to all high school and university student. However, we kindly ask that everyone register for the event beforehand to secure a spot, as seating is limited. The registration form can be found on our website (listed below) or directly through the following link: <https://yts.typeform.com/to/EfMkdt> About our organization: Youth Transforming Society (YTS) is a registered, student-led group based out of Surrey, BC that aims to raise awareness for humanitarian issues and encourage community volunteerism. Founded in 2010, we have since raised over \$20,000 for various organizations and have helped hundreds of students get involved. To learn more about our organization or the event that will be taking place, please visit our website at: <http://www.youthtransformingsociety.org/lets-talk-volunteering/>

To Parents and Guardians of Students in Gr. 8 – 11: MyEducation BC Family Portal is now open

If you have not received an email with your username and password for MyEducation BC Family Portal, please email Hannah.Santillan@sd41.bc.ca with your full name, a call back number, and your child's student number to obtain your portal login information.

There are several benefits associated with the MyEducation BC Family Portal. Parents will be able to view live attendance entries, student schedules, next year course requests, course achievement records and term/final report cards. This year, the Final Report Card will be made available online. Hard copies will NOT be sent home with the exception of our Gr. 12 students. The Burnaby School District has produced reference materials for parents related to logging in and general portal use. These can be viewed at: <http://blogs.sd41.bc.ca/myedbc/parent-resources/>.

For the parents who have successfully logged into the portal, if there is any incorrect information listed such as addresses and names, please email Hannah.Santillan@sd41.bc.ca with the correct information or simply give us a call at 604-296-6895, ext. 3.

"Let's Talk Volunteering: Get Inspired. Get Involved." This is a great opportunity for students that will not only highlight the significance of community service, but also provide them the chance to get involved with an organization that aligns with their values and goals. During this year's event, we will be having a TED Talks style conference featuring 3 keynote speakers, each of whom will share their stories about how volunteering played an integral role in shaping their lives and journey to success in their respective careers. The conference will be followed by a volunteer fair with over 20 organizations present, where students have the opportunity to network and sign up to volunteer with organizations such as Ronald McDonald House, YMCA, Canadian Mental Health Association, and many more. The well-known and accomplished community leaders that will be speaking to students to inspire them include: Arun Dhir – UBC Medical Student, Co-Founder of UBC Beneath One Sky and Perminder Tung – ICBC Lawyer & Injury Claims, Partner at Lindsay Kenney LLP and Sandeep Kaur Gill – Social Worker & Writer, Co-Founder of 'She Writes Her Story'

The event will be taking place at **SFU Surrey on Wednesday, May 24th, from 5:15pm to 8:00pm**. Specifically, the speakers' portion of the event will be occurring from 5:15pm to 6:15pm in the New Westminster Savings lecture theatre (SUR 2600) and the volunteer fair will be happening from 6:15pm to 8:00pm in the Mezzanine of SFU. ***Please Note:** This is a **FREE** event open to all high school and university student. However, we kindly ask that everyone register for the event beforehand to secure a spot, as seating is limited. The registration form can be found on our website (listed below) or directly through the following link: <https://yts.typeform.com/to/EfMkdt> About our organization: Youth Transforming Society (YTS) is a registered, student-led group based out of Surrey, BC that aims to raise awareness for humanitarian issues and encourage community volunteerism. Founded in 2010, we have since raised over \$20,000 for various organizations and have helped hundreds of students get involved.
