**NEW** **Moscrop 2016-2017 Fundraising Initiative Meeting** will be held this Thursday, December 15th at lunch in room 116. Do you want to give back and make a difference? Are you passionate about fundraising for worthwhile causes? All Club members and Leadership students are encouraged to attend, however everyone and anyone is welcome to be a part of this important and exciting decision. Leadership students are prepared to present on the four topics of interest that were decided on at the last meeting: Syrian Refugees, Animals/SPCA, Veterans and Poverty. They will be sharing a few local organization's that support each cause and explaining what they would be doing with our money. Our goal is to vote on one of the organizations on Thursday to give Clubs and Leadership a focus for some of their fundraising. If you are hearing about these meetings for this first time, this year Moscrop is starting a new tradition in which we will vote on a fundraising initiative each year in order for us all to work towards a common goal. In doing this we hope to have a large sum of money to donate to a worthy cause each year, rather than smaller individual contributions to several different causes. **Poster Advertisements:** Student Council would like to remind all club members that advertisement posters should only be hung on the school's 5 advertisement boards. Students should not be hanging multiple posters throughout the hallways of each floor and staircases. This decision was made last year and the boards were purchased for us to support this. The 5 advertisement boards are located in the following areas below. Thank you for your support. Student Council / Greenside
