Day 1

Periods: 1 2 3 4

Teachers – please read this bulletin to your class in period 1

WORD OF THE DAY

Assertive. Inclined to bold or confident assertion; aggressively self-assured.

GOOD NEWS

ATHLETE OF THE MONTH...NOVEMBER - November was an exciting month of sport, and there were many athletes who performed well, were very dedicated, and had great sportsmanship; however, some stood out from others. Three students were nominated for November - Athlete of the Month: congratulations to Bojana Kos (Grade 11), Simon Sheehan (Grade 11), Riccardo Lucheschi (Grade 12) for their nominations.

Congratulations to Riccardo Lucheschi for being awarded as the Athlete of the Month for November!!

Riccardo earned a Bronze medal at the swimming provincials in the 100m Freestyle. At regionals he swam in several events and then at provincials where he made it to the second day and had his 3rd place finish in a very competitive division. He took 4 buses to get there! He attended every meet and again took the bus to every meet to ensure he could swim. He was supportive of his teammates and always strove to improve himself. Several members of the team looked to him as a leader and he embraced the role with modesty. He's a kind, warm, dedicated student who is striving to improve himself academically, socially and in athletics. He was also one of the four swimmers who helped volunteer and raise money for the team swim caps.

Riccardo now needs to see Mr. Spracklin in the PE Office to claim his t-shirt, Sport Chek gift card, and have his photo taken for the awards cabinet in the foyer.
