Day 2

Periods: 5 6 7 8

Teachers – please read this bulletin to your class in period 1

HOME OF THE PANTHERS ROAR RESPECT OWNSHIP ATTITUDE RESPONSIBILITY

WORD OF THE DAY: hotsy-totsy - Older Slang. about as right as can be; perfect.

GENERAL

Moscrop Clothing Wear: This year, a number of students have requested that Moscrop wear be available for purchase, so we are trying something new this year. We have created an online store where you can purchase Moscrop wear located at: <https://store.passionsports.ca/moscrop/>. Once you are on this site, you can choose the item, size and colour that you would like and it will be shipped directly to you. The online store will be open until January 11th. Moscrop Admin

Reminder To All Grade 12s: Your Transition Guide is due January 23/24 (depending on when your English 12 class is). Use the time over the winter break to complete it so that you can focus on other things in January. I won't always be available over the break, however, if you post your questions on the Grad Facebook page, you will be able to support each other through.

The project is posted on the Grad Facebook page, so remember that your final copy must be typed (not written), however, it is acceptable for the budget to be handwritten. Please make sure you consult your parent / guardian when completing your budget for the first year out of high school. They have valuable information about your responsibilities next year, as well as a good check on the reality of your expenses. Do your best to create an accurate picture for yourself of what your income and expenses may possibly be for that first year out of high school. Ms. Dato

Resume workshops will be held in January, and sign ups will be available in the New Year. Workshops will be held on the following dates:

January 11 during collaboration

January 16 at 3 pm

January 17 at lunch

Interested In A Part-Time Or Seasonal Job? K-Bro Linen is currently hiring! They provide laundry services for Hotels and Hospitals and are looking for p/t workers and seasonal workers to work in their large scale commercial laundry establishment. Great for an after school job! Pay is above minimum wage and have options for MSP coverage. If interested email opportunities@k-brolinen.com. Must be of legal working age. You can come to room 313 if you have more questions.

Signup for Grad Photos is now available online with Mountainwest Studios. Grad Photos will be taken between January 17 and January 27, 2017. A link is available on Moscrop's webpage along with instructions for signup. Thank you. Mr. Allen

VOLUNTEER

Are You a 30 Hour Student in Need of Volunteer Hours? Are you a Career Prep Student needing between 10 - 20 hours of work experience to even out your hours? There are some great volunteer opps happening. See a Career Advisor for details or to sign up:

GOOD NEWS!

NEW

Congratulations to the Moscrop Ski and Snowboard Race Team who competed in their first race this past Saturday at Whistler Blackcomb Mountain. Special mention goes to Helena Choi, Grade 12, and Milica Maksimovic, Grade 8, who came in 6th and 11th place respectively in the Ski Girls competition. Kieran Quan, Grade 12, also deserves a special mention for coming in 5th place in the Ski Boys category, and Tristram MacDonald, Grade 12, for achieving a strong 2nd place standing. Well done team! Our next race is this Sunday. Wish us luck!

GOOD NEWS!

NEW

Congratulations to the Moscrop Ski and Snowboard Race Team who competed in their first race this past Saturday at Whistler Blackcomb Mountain. Special mention goes to Helena Choi, Grade 12, and Milica Maksimovic, Grade 8, who came in 6th and 11th place respectively in the Ski Girls competition. Kieran Quan, Grade 12, also deserves a special mention for coming in 5th place in the Ski Boys category, and Tristram MacDonald, Grade 12, for achieving a strong 2nd place standing. Well done team! Our next race is this Sunday. Wish us luck!

Learning Buddies Network - founded by paediatrician Dr. Alisa Lipson, is a non-profit organization dedicated to helping struggling young children from inner-city elementary schools develop essential literacy and numeracy. Matching them with older positive role models, like you, help provide an opportunity for these struggling students to improve their self-esteem and allow them to believe, despite challenges they have faced, that they can succeed when someone is there to believe in them!

Our reading and math tutoring programmes run once a week, after school, at elementary schools across Metro Vancouver. By volunteering with LBN, volunteers take on significant responsibilities and develop leadership, communication and organization skills. You will have the opportunity to work directly with one child and develop a supportive mentoring relationship that will help foster building their learning skills, self-esteem and a positive attitude. If you are looking for a meaningful volunteer experience, we are looking for you to join us! For programme details and to apply, please visit <http://learningbuddiesnetwork.com/?p=87>.

Applications for the Winter 2017 session are now open. They accept applicants on a rolling basis and our spots fill up quickly so please apply early to maximize your chances of getting into the programme of your choice!

Grade 12 students who have applied, or who are planning to apply to SFU: An admissions advisor from SFU will be coming to Moscrop to speak to Grade 12 students on Thursday, February 9th at lunch time in the library. The next steps in the application process will be discussed: self-reporting grades, understanding the application checklist, scholarship and financial aid, and reviewing important dates and the overall admissions timeline. There will be time for questions at the end of the presentation. See you on Feb 9th! (Ms. Vancic)

UBC GATEWAY PROGRAMS FOR FIRST YEAR STUDENTS – Did you know that UBC has four small comprehensive one-year programs offered for first-year students? The Faculty of Arts offers the *Arts One Program* and the *Coordinated Arts Program*. The Faculty of Science offers the *Science One Program* and the *Coordinated Science Program*. These programs offer smaller learning communities in a concentrated theme area, and opportunities for more first-year support from professors. For more info see your counsellor in Student Services, or visit the UBC website. (Ms. Vancic)

ATTENTION GRADE 11's: University of Alberta is hosting an event called **Boarding UAlberta**. It is open to Grade 11 students from across Canada who are interested in spending a weekend in May at the university to see first-hand if Edmonton and UofA are the right fit for them. Learning Buddies Network founded by paediatrician Dr. Alisa Lipson, is a non-profit organization dedicated to helping struggling young children from inner-city elementary schools develop essential literacy and numeracy. Matching them with older positive role models, like you, help provide an opportunity for these struggling students to improve their self-esteem and allow them to believe, despite challenges they have faced, that they can succeed when someone is there to believe in them!

Our reading and math tutoring programmes run once a week, after school, at elementary schools across Metro Vancouver. By volunteering with LBN, volunteers take on significant responsibilities and develop leadership, communication and organization skills. You will have the opportunity to work directly with one child and develop a supportive mentoring relationship that will help foster building their learning skills, self-esteem and a positive attitude. If you are looking for a meaningful volunteer experience, we are looking for you to join us! For programme details and to apply, please visit <http://learningbuddiesnetwork.com/?p=87>.

Applications for the Winter 2017 session are now open. They accept applicants on a rolling basis and our spots fill up quickly so please apply early to maximize your chances of getting into the programme of your choice!

Grade 12 students who have applied, or who are planning to apply to SFU: An admissions advisor from SFU will be coming to Moscrop to speak to Grade 12 students on Thursday, February 9th at lunch time in the library. The next steps in the application process will be discussed: self-reporting grades, understanding the application checklist, scholarship and financial aid, and reviewing important dates and the overall admissions timeline. There will be time for questions at the end of the presentation. See you on Feb 9th! (Ms. Vancic)

UBC GATEWAY PROGRAMS FOR FIRST YEAR STUDENTS. Did you know that UBC has four small comprehensive one-year programs offered for first-year students? The Faculty of Arts offers the *Arts One Program* and the *Coordinated Arts Program*. The Faculty of Science offers the *Science One Program* and the *Coordinated Science Program*. These programs offer smaller learning communities in a concentrated theme area, and opportunities for more first-year support from professors. For more info see your counsellor in Student Services, or visit the UBC website. (Ms. Vancic)

ATTENTION GRADE 11's: University of Alberta is hosting an event called **Boarding UAlberta**. It is open to Grade 11 students from across Canada who are interested in spending a weekend in May at the university to see first-hand if Edmonton and UofA are the right fit for them. Learning Buddies Network founded by paediatrician Dr. Alisa Lipson, is a non-profit organization dedicated to helping struggling young children from inner-city elementary schools develop essential literacy and numeracy. Matching them with older positive role models, like you, help provide an opportunity for these struggling students to improve their self-esteem and allow them to believe, despite challenges they have faced, that they can succeed when someone is there to believe in them!

Our reading and math tutoring programs run once a week, after school, at elementary schools across Metro Vancouver. By volunteering with LBN, volunteers take on significant responsibilities and develop leadership, communication and organization skills. You will have the opportunity to work directly with one child and develop a supportive mentoring relationship that will help foster building their learning skills, self-esteem and a positive attitude. If you are looking for a meaningful volunteer experience, we are looking for you to join us! For program details and to apply, please visit <http://learningbuddiesnetwork.com/?p=87>.

Applications for the Winter 2017 session are now open. They accept applicants on a rolling basis and our spots fill up quickly so please apply early to maximize your chances of getting into the program of your choice!
