Attention All Grade 12s: The Grade 12 Student Led Interviews will be happening on **April 12, 2017 in the Moscrop Library**. Your Transition Guides will be returned to you at the beginning of April and you will need to bring them to your interview. Mrs. Dato will visit Grade 12 English classes to further prepare you on **April 3 and 4**, however, in the next few weeks, continue thinking about the 2-3 pieces of evidence you will be bringing (as you have already thought about in your Transition Guide). Please refine those items you are thinking about bringing and make sure they hold a special significance to you. Think deeply about what you are going to say about them.

Another way to prepare for the SLIs is to read the prep documents posted on the Grad Transitions log: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. I will also post the updated prep document on the grad Facebook page ASAP. This is an amazing and inspiring opportunity for you to reflect on the things that make you unique. A chance to share who you have become and where you are headed - so be prepared to SHINE and BE PROUD!

See or email Mrs. Dato if you have any questions or concerns. Laura.Dato@sd41.bc.ca

Douglas College: Entrance Scholarship applications are due this Saturday, April 1st. If you are in grade 12 and have applied to Douglas, you will need to use your Douglas student number to access this application through My Account – Financial Aid – Award Applications – Entrance Awards Application. Only one application needs to be submitted to be assessed for every entrance award. Ms. Vancic

Attention All Grade 12s: The Grade 12 Student Led Interviews will be happening on **April 12, 2017 in the Moscrop Library**. Your Transition Guides will be returned to you at the beginning of April and you will need to bring them to your interview. Mrs. Dato will visit Grade 12 English classes to further prepare you on **April 3 and 4**, however, in the next few weeks, continue thinking about the 2-3 pieces of evidence you will be bringing (as you have already thought about in your Transition Guide). Please refine those items you are thinking about bringing and make sure they hold a special significance to you. Think deeply about what you are going to say about them.

Another way to prepare for the SLIs is to read the prep documents posted on the Grad Transitions log: <http://blogs.sd41.bc.ca/moscrop-gradtransitions/>. I will also post the updated prep document on the grad Facebook page ASAP. This is an amazing and inspiring opportunity for you to reflect on the things that make you unique. A chance to share who you have become and where you are headed - so be prepared to SHINE and BE PROUD! See or email Mrs. Dato if you have any questions or concerns. Laura.Dato@sd41.bc.ca

Humanities for Young People Internship Opportunity: This is a summer program in Halifax, Nova Scotia that gives you a taste of university life and encourages your interests in literature, philosophy, history, politics and art. Based on the theme of **The Challenges of Reconciliation**, students will enjoy morning lectures ranging from Greek tragedy, to contemporary political theory, to indigenous culture and history. They will engage in afternoon workshops, developing interpersonal, creative and academic skills, and in evenings they will work with artists, scholars, and filmmakers from Nova Scotia's indigenous communities and beyond. HYP runs for July 7-16, 2017. Students in Grades 9-11 are eligible and can apply online with a brief statement of their interest in the Humanities and a letter of recommendation from an adult who knows them well. The fee is \$1100 and includes accommodation, meals, materials, lectures and excursions. Bursaries available. Go to <http://hyp.ukings.ca>. This program can be put towards work experience hours for current grade 10s or 11s. See us in room 313. Ms. Dato
