GOOD NEWS

Unity in Green! Last Friday 8 volunteers of the Moscrop Environment Club Unity in Green participated in a first-ever Guichon Creek Storm Drain Marking project near Moscrop School. They painted nearly two dozen yellow fish near storm drains that empty into Guichon Creek and handed out brochures to residents in the six-block area by our school. This is to raise awareness about the issue of disposing hazardous wastes down the drain and into the stream, killing the fish. Grade 11 and 12 volunteers included: Kevin Lin, Brennan Strandberg-Salmon, Jovin Khehra, Sava Andjelkovic, Nathanael Ip, Vyshu Manohara, Jia Yue He, and Seal Gomes.
