TERRY FOX DONATION COLLECTION: It's the 36th anniversary of the Terry Fox Run! Terry Fox was a Canadian athlete, humanitarian, and cancer research activist. In 1980, with one leg having been amputated, he embarked on a cross-Canada run to raise money and awareness for cancer research. Although the spread of his cancer eventually forced him to end his quest after 143 days and 5,373 kilometers (3,339 mi), and ultimately cost him his life, his efforts resulted in a lasting, worldwide legacy. The annual Terry Fox Run, first held in 1981, has grown to involve millions of participants in over 60 countries and is now the world's largest one-day fundraiser for cancer research; over C\$650 million has been raised in his name. We are asking students to donate anything they can to help make Moscrop's donation bigger than ever this year. Leadership 9 will be asking for donations on the following dates and times. Thank you, Leadership 9 / Ms. M. Chow

- Tuesday, September 26th – outside the main entrance on your way to the run start line, and in the multi-purpose room at the run finish line.
